                  Deputy Director for Administration

SUBJECT: Agency-Wide Computer Graphics Support

REFERENCE: Memo for EXCOM from Director, DCI/DDCI Executive
                  Staff, dtd 21 Dec 1981, Subject: Minutes of the
                  14 December 1981 EXCOM Meeting: CORE
                  Recommendations (EXCOM 81-9056)

1.   Recommendation 5 from the Agency Cost Reduction and
Efficiency (CORE) briefing to the Executive Committee (EXCOM) on
14 December 1981 called for a study on the consolidation of the
Genigraphics and Dicomedia computer graphics systems. The
purpose of this memorandum is to request that a task group be
established with co-chairpersons from the Directorate of
Administration and the Directorate of Intelligence to determine
the feasibility and practicality of consolidating these two
facilities.

2.   The group should be tasked with studying and reporting
on the following items:

        a.   Compatibility and/or redundancy of the two systems.

        b.   The savings (if any) in personnel and operating
costs or any increased efficiencies that would be derived from
consolidation.

        c.   Customer support and how it would be affected by
consolidation.

        d.   System availability to Agency users.

        e.   System interfaces with the Office of Data Processing
(ODP) computer system.

        f.   System capabilities and planned future
enhancements.

        g.   Any other items identified and agreed to by task
group members.
